CHICAGO CONSOLIDATED TRACTION COMPANY BONDHOLDERS' PROTECTIVE COMMITTEE

TO THE HOLDERS OF THE 45% GENERAL MORTGAGE BONDS OF THE Chicago Consolidated Traction Company:

The undersigned have consented to act as a Committee for the purpose of protecting the rights and interests of the holders of the above bonds. A limited group of bondholders, acting through a Committee, have already obtained judgment against the Chicago Rallways Company. There is grave reason to apprehend that, unless immediate steps are taken to enforce the payment of the guarantee upon outstanding bonds, the claims of such bonds will be disregarded in the proposed reorganization of the property, and will be made the subject of unfair distrimination in any adjustment of new securities. It is therefore important that the holders of such bonds, of which there are still a considerable number outstanding, should act at once in co-operation

For this purpose, the undersigned have been constituted a Bondholders' Protective Committee, and have executed and lodged a Deposit Agreement with the Windsor Trust Company of New York, as Depositary. Holders of the 412*4 General Mortgage Bonds of the Chicago Consolidated Fraction Company are invited to become parties to the agreement by depositing their bonds on York City, in negotiable form, with coupons of and subsequent to June 1, 1908. Certificates of deposit will be issued for bonds deposited.

Bondholders are earnestly recommended to lose no time in depositing their bonds.
